The National Park Hospitality Association Invites You to Join Us As We Serve National Park Visitors and Care for America's Parks

The National Park Hospitality Association (NPHA) is the national trade association of the businesses that provide lodging, food services, gifts and souvenirs, equipment rentals, transportation and other visitor services in the National Park System.

Concessioners have served park visitors since the 1870's. Our members have a combined park workforce of some 25,000 persons - mostly front-line, visitor-contact jobs - and provide visitors with goods and services in excess of \$1.3 billion annually, including more than 30 million meals and millions of overnight stays. NPHA members operate in more than 100 park units and generate more than \$100 million annually for the National Park Service budget. Concessioner-sponsored Guest Donation Programs have provided millions of additional dollars for park projects and programs.

NPHA members are active partners with the National Park Service in "green" operations in parks, in the care of historic structures, in encouraging healthy lifestyles, in outreach to youth, non-traditional park visitors and visitors from other nations and in harnessing technology to improve the quality of park visits. NPHA members meet regularly with senior National Park Service officials in Washington and at the regional levels. We also work closely with other organizations committed to assisting our national parks. We were a co-host with the National Park Foundation and the National Parks Conservation Association of the first America's Summit on National Parks in January 2012 and have hosted additional sessions, including Grand Thoughts at the Grand Canyon, to discuss key national park issues and to help prepare for the second century of the National Park Service.

NPHA shares news with its members and allies through regular communications, several meetings each year and our website: www.parkpartners.org. We welcome your involvement in our efforts, whether you are a park concessioner, a supplier of goods and services to concessioners or a direct provider of services to park visitors! Simply complete the membership application form and we'll work with you to make your involvement in NPHA exciting and productive.
